

Geometer's Sketchpad®

August 20, 2008 (*for beginners*)

August 21, 2008 (*intermediate users*)

Time: 8:30 - 2:30 pm

Location: Olean BOCES Training Room A & B

Each day of this training will focus on teaching concepts aligned to the NYSED Geometry curriculum using the Geometer's Sketchpad software. You may choose to attend one or both days. This training will be facilitated by Frank Sobierajski, a mathematics educator and Coordinator of Computer Technology of North Rose-Wolcott CSD. If your district does not have the software, CA BOCES will provide a copy after the training.
